PROJECT No. 259 DECORATING IN TAUNTON

On Monday, 10th July 2017, a small team from Taunton Vineyard Church had the honour of decorating a lounge and adjoining kitchen for the marvellous three special needs residents of a supported living home in Taunton.

We did this as part of our 1000 hours initiative, serving the people of North Taunton over the whole week through a number of different projects. Fun was had by all!
